Atlas of Procedures in Gynecologic Oncology William J Hoskins

First edition, with DVD in NTSC format.

The staff at one of the world's leading cancer centers have here collaborated on a practical guide to the procedures involved in gynaecologic oncology, covering the latest developments in both open and minimally invasive surgery. The chapters are purposely presented in great detail giving the reader a complete working knowledge of each procedure. The procedures are explained step by step and fully illustrated, with 800 colour photographs used throughout, and an accompanying DVD provides over one hour of video clips with spoken commentary.
