La regla ausente. Democracia y conflicto constitucional en México (Spanish Edition) Francisco Valdés Ugalde

En este libro, el autor analiza lo que considera el principal problema político de México: la contradicción irresoluble entre las reglas de gobierno impuestas después de la Revolución con las modificaciones constitucionales que habilitaron el autoritarismo y el sistema presidencialista, y la apertura obligada por la crisis económica y política de 1995, que llevó al partido hegemónico a pactar una transición democrática hacia un régimen competitivo de partidos con alternancia en el poder. Sin transformaciones constitucionales que solucionen este conflicto, nos advierte, la democracia mexicana está condenada a involucionar.
