If you think you have already seen the cross, heard its story, and know its meaning, this book will change your mind. It will do more than that; it will transform your life.

Once upon a tree...there was a Savior. Have you seen the Cross?...Have you felt its splintered beams? Have you heard its call? Have you grasped its peculiar teachings of death and life and love and hope? Have you heard the man nailed against its rough grain call your name? Once in a great while, a writer paints a picture with words that leave you breathless. On rare occasions, an author captures the sights, the sounds, and the scandal of a premier historical event and impresses them upon your heart. Master teacher Calvin Miller has done all this and more in this signature book on the mysteries and meanings of the Cross of Christ.
