The Stolen Luck Shawna Reppert

How far will a good man go to save his home and loved ones?

Lord James Dupree must recover his family's stolen Luck, the elven talisman that has protected the Dupree lands for generations. Without the talisman, the Dupree vineyards are failing and creditors are closing in. The Luck is his only hope of saving his home and his family from poverty and ruin.

Despite his abhorrence of slavery, James wins an elven slave in a game of cards. The slave, Loren, provides the only chance to enter the Lands Between and recover the stolen Luck. Despite James's assurances and best intentions, Loren does not trust his new master and James finds it all too easy to slip into the role of slave master when Loren defies him.

As the two work together through hardship and danger, James finds himself falling in love with Loren. And when a hidden enemy moves against them, he must choose between his responsibility to his family and his own soul.
