## All We Left Behind Ingrid Sundberg

For fans of Simone Elkeles and Courtney Summers, this haunting debut novel is about two teenagers battling their inner demons as they fall in love for the first time.

When Marion Taylor, the shy bookworm, meets sexy soccer captain Kurt Medford at a party, what seems like a sure thing quickly turns into a total mess. One moment they're alone in the middle of a lake, igniting sparks of electricity. The next, they're on dry land, pretending they've never met. But rather than the end, that night is the beginning of something real, terrifying, and completely unforgettable for them both.

As Marion and Kurt struggle to build a relationship from the fractured pieces of their pasts, every kiss they share uncovers memories both would rather keep buried. Marion desperately wants to trust Kurt and share the one secret she's never told anyone—but some truths aren't meant to be spoken out loud. Kurt is also still haunted by his mother's death, by the people he hurt, and by the mistakes he can never take back.

Explosive together and hollow apart, Marion and Kurt seem totally wrong for each other—but could they turn out to be more right than they ever thought possible?
