Apocalyptic Short Stories From The Prepper Side Of The End Of The World As We Know It: Grid Down And Just Grinning And Bearing It Ron Foster

A sampler collection of tales about surviving after technology fails and how preppers try to overcome the odds. This book is a collection of four prepper fiction short stories full of preparedness tips and tricks dealing with living life after a mega disaster. Southern humor and realistic events makes this selection of survival stories of day to day living in an apocalyptic world a must. Dystopia stories with innovative solutions and applications sure to entertain. Zany characters using their wits and prepper sense to overcome obstacles and keep their sanity in an ever changing world of societal collapse after electrical grid down events. Fanciful story lines based on everything from having nothing at the beginning of a disaster to having on hand the latest in prepper gear available.
