His Box set

At 32 years old, Dean, the inventor of a complex navigating system for planes, which would eventually replace pilots. He's a first class traveler, on his way to Washington, to discuss his ideas with the NTSB.

Dean is a pilot himself, he loves flying his three jets across the states, but he preferred a commercial flight that day. He rushes into the cockpit, saves the plane and the passengers. After the ordeal, he notices a beautiful stewardess. She is smitten by him. He's the hero she's always dreamed of. The flight he saves is her last for at least two weeks. She gets some time off.

They meet, go out, have sex and all. But, the man is torn: Should he pursue the sale of his revolutionary system or listen to his new girlfriend? She doesn't like the fact that people would lose their jobs and pilots would be rendered obsolete.

Shattered Box set

This is my life, and it's a good one. It's a simple life. Well, simple for a business man, I suppose. My name is James Mont, and I consider myself to be an exceptional human being. I don't necessarily mean that I am a crazy nice guy or anything like that; I just mean I'm exceptional. You can call it vanity if you want, but I know it's true. Although I believe there is a fine line between vanity and just having greatness.

I am a multi-billionaire who does not do much to maintain that status. My business was inherited, and in the past year alone I have tripled our annual income. I live extravagantly, and sometimes I live lazily because I can. I own a dietary supplement line, and they sell like hot cakes; we cater to both men and women athletes. Second reason, I am fit. As the CEO of a large corporation that promotes healthy living, I have to stay fit. Honestly, I do more working out in gyms than I do work in the office, but it's okay because I love working out. I am fine looking, and I know it. Rich, fit, confident –who wouldn't want to be me? And throw all those things together and you get the third reason I am one to be envied: women love me. Even this bitch: Éclair Beauchene, and yes, that's French.
