Bear is a rambling musician. An entertainer. A legend. One Bear Extraordinaire.

Bear wakes up one morning with a song in his head, but something is missing. What's a one-bear band to do? He travels the forest in search of his song and meets a few other musicians along the way, but even with their help, his song still feels incomplete. Will Bear find the perfect accompaniment and learn that every song sounds sweeter with friends by his side?

Jayme McGowan brings Bear and his merry band to life with intricate and innovative threedimensional cut-paper art that is nothing short of extraordinary.
