Para cabrona cabrón y medio.... (Coleccion Interes General) (Spanish Edition) Ricardo Moreno

Este, es un libro lleno de verdad, cargado de intensidad y sinceridad, con historias y relatos verídicos. Es un llamado a los hombres, para que despierten del error, se dice que: “Un par de nalgas, puedan jalar más que un par de yeguas”, esto es y ha sido siempre completamente falso; la mujer nos lo ha hecho creer, debido al poder que le hemos dado por una conveniencia errónea, por factores como el machismo, hacerles creer que todas son bellas, por obtener un “acostón fácil”.

Hemos creído que tenemos el poder y el control de todo, cuando nunca ha sido así, le damos poder a la mujer para decidir si acepta o no salir con nosotros; le damos poder cuando andamos con una mujer que nos mantiene, aunque sea fea y nos dé malos tratos, por mantener a una mujer que es excelente en la cama aunque no tengamos buena comunicación; o cuando andamos con ellas por culpa, aunque la culpa no la tengamos nosotros.

Por lo anterior, amigo lector, te invito a que te adentres en las páginas de este libro y descubras la verdadera cara de la mujer.
