Expert guidance in choosing the right dog -the first time

Written by a renowned expert in shelter adoption, *Successful Dog Adoption* delivers all the information you need to find the perfect dog at a shelter and make him part of your family. In easy-to-understand language, Sue Sternberg helps you decide if you're ready to adopt by evaluating your reasons and translating them into what you should look for in a particular dog. She shows you how to find a reputable shelter, prepare for the adoption process, and work with shelter personnel to make sure they have appropriately screened their dogs. You'll also learn about "rescue" dogs and why one might be right for you.

This practical guide covers all the vital issues you need to consider when adopting-choosing a male or female, a puppy or an adult; identifying fearful dogs or dogs who will bite; and seeking out a dog with the ideal temperament. Featured here are detailed tests and observations used by professionals to ascertain the temperament and compatibility of shelter dogs-now made available to the public for the first time. You'll discover how to determine risk factors in an unknown dog, gauge a dog's potential reaction to guests and strangers, and predict the compatibility level when you add another dog to your household.

This book also offers invaluable advice on training your new pet, including guidance in housebreaking, selecting a training class, and helping a dog who gets carsick or doesn't like to be home alone. And, if you still experience difficulties with your dog, Sternberg gently discusses the steps you can take.

Authoritative and friendly, *Successful Dog Adoption* is the one-stop guide for finding your own "superdog"-and keeping the dog-owner relationship fresh and rewarding for years to come.
