Bad Boys of the Highlands (3 Book Series) Victoria Roberts

From Book 1:

"Filled with everything I love most about Highland romance."—Melissa Mayhue, award-winning author of *Warrior's Redemption*

She's On Her Way to Safety

It's a sign of Lady Rosalia Armstrong's desperation that she's seeking refuge in a place as rugged and challenging as the Scottish Highlands. She doesn't care about hardship and discomfort, if only she can become master of her own life. Laird Ciaran MacGregor, however, is completely beyond her control...

He Redefines Dangerous...

Ciaran MacGregor knows it's perilous to get embroiled with a fiery Lowland lass, especially one as headstrong as Rosalia. Having made a rash promise to escort her all the way to Glengarry, now he's stuck with her, even though she challenges his legendary prowess at every opportunity. When temptation reaches its peak, he'll be ready to show her how he really is...on and off the battlefield.
