Everett Koop: America's Doctor The New York Times

C. Everett Koop was inarguably the most influential — and controversial — Surgeon General in U.S. history. During his office from 1981 to 1989, he used his platform as the country's top public health official to speak out on issues like AIDS, sex education, smoking, abortion, violence and obesity. But the road to prominence for Dr. Koop, an evangelical Christian who was anti-abortion, wasn't smooth. His nomination by President Reagan was fiercely opposed by Democratic lawmakers, gay rights groups, women's organizations and even The New York Times, who dubbed him "Dr. Unqualified."

This e-single, a compilation of stories from the Times archives, shows how Dr. Koop's professionalism won over his detractors. When he died in February 2013, his obituary in The Times stated, "Throughout he has put medical integrity above personal value judgments and has been, indeed, the nation's First Doctor."

From reader reviews:

Mary Bingham:

Now a day folks who Living in the era everywhere everything reachable by talk with the internet and the resources inside can be true or not call for people to be aware of each details they get. How many people to be smart in receiving any information nowadays? Of course the solution is reading a book. Examining a book can help men and women out of this uncertainty Information specifically this Everett Koop: America's Doctor book because this book offers you rich facts and knowledge. Of course the details in this book hundred per-cent guarantees there is no doubt in it everybody knows.

Hubert Ray:

The reason? Because this Everett Koop: America's Doctor is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will zap you with the secret it inside. Reading this book close to it was fantastic author who also write the book in such awesome way makes the content interior easier to understand, entertaining approach but still convey the meaning totally. So , it is good for you for not hesitating having this anymore or you going to regret it. This unique book will give you a lot of benefits than the other book get such as help improving your talent and your critical thinking means. So , still want to delay having that book? If I had been you I will go to the reserve store hurriedly.

Robin Martz:

Your reading 6th sense will not betray a person, why because this Everett Koop: America's Doctor guide written by well-known writer who really knows well how to make book that can be understand by anyone who read the book. Written in good manner for you, leaking every ideas and publishing skill only for eliminate your own personal hunger then you still skepticism Everett Koop: America's Doctor as good book not only by the cover but also by content. This is one publication that can break don't determine book by its cover, so do you still needing an additional sixth sense to pick this!? Oh come on your reading sixth sense already said so why you have to listening to an additional sixth sense.

Phyllis Spencer:

In this time globalization it is important to someone to obtain information. The information will make someone to understand the condition of the world. The condition of the world makes the information better to share. You can find a lot of recommendations to get information example: internet, newspaper, book, and soon. You can view that now, a lot of publisher in which print many kinds of book. The particular book that recommended for you is Everett Koop: America's Doctor this book consist a lot of the information of the condition of this world now. This specific book was represented how can the world has grown up. The language styles that writer use to explain it is easy to understand. The actual writer made some exploration when he makes this book. This is why this book appropriate all of you.
