## **Providence** Daniel Quinn

**Providence** is Quinn's fascinating memoir of his life-long spiritual voyage. His journey takes him from a childhood dream in Omaha setting him on a search for fulfillment, to his time as a postulant in the Trappist order under the guidance of eminent theologian Thomas Merton. Later, his quest took him through the deep self-discovery of psychoanalysis, through a failed marriage during the turbulent and exciting 60s, to finding fulfillment with his wife Rennie and a career as a writer. In **Providence** Quinn also details his rejection of organized religion and his personal rediscovery of what he says is humankind's first and only universal religion, the theology that forms the basis for **Ishmael**.

**Providence** is an insightful book that address issues of education, psychology, religion, science, marriage, and self-understanding, and will give insight to anyone who has ever struggled to forge and enact a personal spirituality.
