## **The Bilderberg Conspiracy H. Paul Jeffers Masters Of The World**

Hidden behind many of today's major news stories, the Bilderberg Group is an elite clique of the most powerful names in politics, media, business, and finance, who want to impose a one-world government on the rest of us. Led by such iconic members as Henry Kissinger, Bill and Hillary Clinton, Richard Perle, Melinda Gates (wife of Bill Gates), David Rockefeller, Paul Wolfowitz, Donald Rumsfeld, Tony Blair, and Margaret Thatcher, their secret conferences (where press has long been banned) are rumored to have engineered many of today's monumental global events, including:

- The September 2008 collapse of worldwide banking.
- Bill Clinton's presidency and the passage of NAFTA.
- The loss of America's jobs to foreign nations.
- The toppling of Margaret Thatcher for trying to keep the U.K. out of the E.U.

Featuring interviews with meeting attendees, *The Bilderberg Conspiracy* is essential--and often terrifying--reading for anyone interested in world events.

"H. Paul Jeffers reveals stunning insights about the Bilderberg Group. Wars, coups, assassinations; control of banking, finance, the media, and education--any means necessary to fulfill their agenda." --Michael Benson, author of *Inside Secret Societies*

**H. Paul Jeffers** has published more than 50 works of fiction and nonfiction, including *Freemasons: Inside the World's Oldest Secret Society*, biographies of presidents Theodore Roosevelt and Grover Cleveland, New York mayor Fiorello LaGuardia, Diamond Jim Brady, and others. He lives in Manhattan.
