***The Body in the Bouillon*, the third volume in Katherine Hall Page's cozy mystery series featuring amateur sleuth Faith Fairchild**

Minister's wife, sometime sleuth, and culinary artist Faith Sibley Fairchild is intrigued by rumors of mysterious doings at Hubbard House — an elegant, secluded retirement home for the well-heeled Yankees of Aleford, Massachusetts. Determined to do some surreptitious snooping, she joins the pricey retreat's flu-depleted kitchen staff, only to witness an aging resident collapse face-first into a bowl of Faith's hot and savory bouillon. But it isn't until a blackmailing drug dealer turns up dead in Faith's bedroom that the amateur investigator realizes that murder not only happens at Hubbard, it's the specialty of the house! And Faith's own demise might very well be the next item on the menu.

#### **Dorothy Vinson:**

As a scholar exactly feel bored to help reading. If their teacher requested them to go to the library in order to make summary for some reserve, they are complained. Just little students that has reading's soul or real their leisure activity. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring and also can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this The Body in the Bouillon (Faith Fairchild) can make you really feel more interested to read.
