VisualDx: Essential Adult Dermatology combines a desk reference and a powerful online decision support system to give you point-of-care assistance in diagnosing and managing adult skin diseases. The book is organized by symptoms and visual clues and covers 195 skin disorders, with over 800 full-color illustrations and detailed information on diagnostic criteria, skin characteristics, best laboratory tests, differential diagnosis, and characteristics of the condition in immunocompromised patients and those with darker skin colors. An additional chapter covers dermatologic therapy.

Thousands of images show both typical and variant disease presentations. Patient information sheets are also included. This is an eBook version which does not include access to the supplemental online content mentioned in the text.
