*Passion was never in the bargain*

Addison Reed lost her fiancé, but she'll do whatever it takes to protect his legacy. When the gorgeous and arrogant landowner, Brazilian billionaire Bruno Duarte, who is thwarting her at every turn, refuses to meet with her, she puts her plan into action. He *will* listen to her.

Bruno's plan was simple: return to Brazil and marry to fulfill his father's dying wish. But when his engagement crumbles, and he's then stranded with an idealistic woman hell-bent on saving a tribe of people on his land, he sees the perfect solution. If his feisty and passionate abductor agrees to a bogus marriage, he'll relocate the tribe.

With the Brazilian heat rivaling the growing heat of their desire, will Bruno and Addison abandon their respective plans and give in to each other, or will their differences tear them apart?
