Siberian Soul Part Three (American Tigers Book 3) Claire Ryann, Eva Wilder

"I've never narrowly escaped becoming a werewolf before," I teased, "or been held hostage by armed goons, or fallen in love with a man who can turn into a tiger," I rolled back to look up at him and smiled, "It's been an enlightening week."

It turns out, this serious hunk of Texan billionaire is a Siberian tiger shifter. And he says I'm his mate.

But before I have time to let that sink in, we'll have to travel to a town populated by an ancient pack of Russian were-wolves to learn why Evan is being hunted by a man who has made his fortune hunting his own kind.

Can natural enemies work together to fight a common threat?

This is the conclusion of Kerri and Evan's story in Eva Wilder's and Claire Ryann's American Tigers series.
