## Spanish Guitar M.R. Kelly

Charlie isn't much interested in vacationing in Spain or in seeing a flamenco concert while she's there. But she has let her best friend talk her into both, and when her eyes meet those of the darkly handsome guitarist onstage, she is instantly mesmerized.

A member of a secret blood-drinking race, Nikolas occupies his time killing daemons and playing guitar. He has given up on finding his soul mate after centuries of searching. And suddenly one night out of the blue, there she is, spellbound as she watches him play.

Now all he has to do is convince her that she belongs to him and protect her from a pissed-off shapeshifting daemon Charlie never knew existed.
