This is a 3 book bundle of werewolf shifter romance featuring the Quinn's of Winter Valley Wolves.

**Chosen** ~ Trixie Quinn never realized the animal bite she received during a camping trip left her a dormant werewolf. When she meets Parker Hoyt and he spikes her temperature into the red zone, she finally learns the truth. But Parker is everything Trixie hates in a man, and being with him is the last thing she wants.

**Parker Hoyt** has struggled to fit into the Winter Valley Pack for years. Searching for the true mate he discovered as a teen has been a bust, and he's destined to be a lone wolf, until he stumbles upon Trixie at his hometown diner. Suddenly his fancy cars and women mean nothing as he tries to woo the waitress he'd claimed years ago. But she's not impressed, and he'll have to prove he's the man she deserves.

**Fated** ~ Caroline Quinn writes romance, so you'd think it would be easy for her to do relationships. The truth is that while she can give any heroine a happy ending, after decades of being a single mother who swore off men she struggles to find a guy she wants to date. Although, there's one sexy werewolf she's interested in, but after one fun afternoon on the lake Paul Ryan left her high and dry. When he's suddenly around at every turn she discovers there's a reason she can't keep him out of her dreams. Now she has to decide if fate's plan for her is worth the risk.

**Paul Ryan** is the alpha of the Silver Lake Wolves and without a mate. When he met Caroline Quinn, all his senses buzzed with the electricity he used to feel for his late true mate. But he wasn't ready for a second chance and let Caroline go. When Paul runs into her months later he can't resist the pull of their fate, and he doesn't want to. All he has to do now is convince Caroline they're meant to be.

**Destined** ~ Sophie Quinn's failed at marriage before, but after a few years living a free-spirited lifestyle she's ready to try love one more time. She moves into a quaint summer cottage on Silver Lake with a plan to find a new man, and her silver fox neighbor would be perfect, except for the fact he can't stand to be around her. When she finds out Warren is a werewolf, Sophie has no trouble moving on, even after she discovers they're true mates. But she doesn't count on the way their physical attraction takes her places she didn't know she wanted to go.

**Warren Nelson** has waited years to find his true mate, and when the sumptuous Sophie Quinn moves in next door he finds her. The problem is she's human, and recent events have reminded Warren why her kind is dangerous to his pack. Try as he might, he can't deny the need to be with his true mate, and he has to find a way to trust her as he convinces her he's worth the risk.
