Dick Talleur

Step-by-step color sequences for more than 100 patterns Acclaimed tier and master teacher Dick Talleur presents the fundamentals and key techniques for tying all the popular patterns, with step-by-step color photos and explicit text showing every nuance of the process. This book builds on Talleur's classic reference, *Mastering the Art of Fly Tying*, one of the first to go beyond the simple recipe-photo format to provide detailed explanations of technique. That book taught a generation of fly fishers how to tie; *Guide to Fly Tying* offers the same scope and approach while incorporating the latest in materials, tools, and techniques.
