Les Six Faces D'un Dé (French Edition) Juan Sepulveda Sanchis

Dans notre vie, qui décide du chemin à choisir pour aller au travail ou à un rendez-vous ? Nous ou le destin ? Tel est le premier sentiment que transmet ce livre, comment le hasard peut changer une situation apparemment normale pour la rendre dangereuse ou étrange, ou les deux à la fois. « Les six faces d'un dé » sont le défilé, entre d'autres histoires, de mystérieuses équations mathématiques pouvant transformer la réalité qui nous entoure, des films qui semblent prendre la vie, ou des excursions dans la montagne où la tranquillité sera l'unique invitée qui ne sera pas au rendez-vous. Mais, par dessus tout ces récits plane une question : qui jette le dé qui déterminera le futur des acteurs de ces histoires ?

“Les six faces d'un dé » est composé de six intrigues. Chacune d'entre elles différente des autres et d'un style et d'une thématique différente. Toutefois, elles sont toutes unies par une composante commune : le destin des personnages dépendant du hasard.
