## River of Fire, River of Water Taitetsu Unno

With great spiritual insight and unparalleled scholarship, Dr. Taitetsu Unno--the foremost authority in the United States on *Shin* or Pure Land Buddhism--introduces us to the most popular form of Buddhism in Japan. Unique among the various practices of Buddhism, this "new" form of spiritual practice is certain to enrich the growing practice of Buddhism in the United States, which is already quite familiar with Zen and Tibetan traditions. *River of Fire, River of Water* is the first introduction to the practice of Pure Land Buddhism from a trade publisher and is written for readers with or without prior experience with it.

The Pure Land tradition dates back to the sixth century c.e., when Buddhism was first introduced in Japan. Unlike Zen, its counterpart which flourished in remote monasteries, the Pure Land tradition was the form of Buddhism practiced by common people. Consequently, its practice is harmonious with the workings of daily life, making it easily adaptable for seekers today. Despite the difference in method, though, the goal of Pure Land is the same as other schools--the awakening of the true self.

Certain to take its place alongside great works such as *Three Pillars of Zen*, *The Miracle of Mindfulness*, and *Zen Mind, Beginner's Mind*—*River of Fire, River of Water* is an important step forward for American Buddhism.

*From the Trade Paperback edition.*
