## **The GI's War: American Soldiers in Europe During World War II** *Edwin P. Hoyt*

*The GI's War* contains eyewitness accounts from ordinary young men, farm hands and factory workers, who had war thrust upon them and in the process became veteran soldiers. Their unsparing narratives, presented in their own words, capture the many emotions evoked by war. GIs and their commanding officers speak freely, and movingly, of becoming soldiers, of enduring the ordeals of the various campaigns, and of fighting for their lives and their country. Vividly personal and compelling, this book puts the reader on the front lines.
