Closing Chapters: Urban Change, Religious Reform, and the Decline of Youngstown's Catholic Elementary Schools, 1960-2006 Thomas G. Welsh

Closing Chapters attempts to explain the disintegration of urban parochial schools in Youngstown, Ohio, a onetime industrial center that lost all but one of its eighteen Catholic parochial elementary schools between 1960 and 2006. Through this examination of Youngstown, Welsh sheds light on a significant national phenomenon: the fragmentation of American Catholic identity.
