Peter Cole

Coyote and Raven Go Canoeing (McGill-Queen's Native and Northern Series) Peter Cole

In a gesture toward traditional First Nations orality, Peter Cole blends poetic and dramatic voices with storytelling. A conversation between two tricksters, Coyote and Raven, and the colonized and the colonizers, his narrative takes the form of a canoe journey. Cole draws on traditional Aboriginal knowledge to move away from the western genres that have long contained, shaped, and determined ab/originality. Written in free verse, *Coyote and Raven Go Canoeing* is meant to be read aloud and breaks new ground by making orality the foundation of its scholarship.

Cole moves beyond the rhetoric and presumption of white academic (de/re)colonizers to aboriginal spaces recreated by aboriginal peoples. Rather than employing the traditional western practice of gathering information about exoticized other, demonized other, contained other, *Coyote and Raven Go Canoeing* is a celebration of aboriginal thought, spirituality, and practice, a sharing of lived experience as First Peoples.
