## Discourse Studies: A Multidisciplinary Introduction

"A landmark in the oeuvre of one of the founding fathers of discourse analysis. Van Dijk has managed to edit a volume of lasting significance, and some of the chapters in this book belong to the most widely read in the field. In its totality, *Discourse Studies* offers us a 360 degree tour of the field... Nothing in this volume is dated, everything remains mandatory reading for every student and advanced practitioner."

- *Jan Blommaert, Tilburg University*

"This very welcome updated second edition will allow Teun van Dijk's very popular *Discourse Studies* to consolidate its already strong and central position in the area. Featuring chapters written by so many of the leading scholars it will continue to be a stimulating and wide-ranging introduction to the discipline of discourse studies for new generations of students."

- *Malcolm Coulthard, University of Birmingham*

This book is the largest, most complete, most diverse and only multidisciplinary introduction to the field.

A combined **Second Edition** of two seminal texts in the field (the 1997 titles *Discourse as Social Interaction* and *Discourse as Structure and Process*) this essential handbook:

- Is fully updated from start to finish to cover contemporary debates and research literature.
- Covers everything from grammar, narrative, argumentation, cognition and pragmatics to social, political and critical approaches.
- Adds two new chapters on ideology and identity.
- Puts the student at the centre, offering brand new features such as worked examples, sample analyses and recommended further reading.

Written and edited by world-class scholars in their fields, it is the essential, one-stop companion for any student of discourse analysis and discourse studies.
