Luciano Rabasedas

La Nueva Paternidad (Nueve Lunas / Nine Moons) (Spanish Edition) Luciano Rabasedas

Estamos asistiendo a un cambio. Lento, gradual, progresivo. Resistido por algunas personas y bienvenido por muchas otras. Como todo cambio. Como toda modificación.

Es el pasaje de la paternidad tradicional a otra que podríamos denominar “nueva” o “moderna”. Es la metamorfosis de un padre observador de la familia a otro que es participante pleno de la misma. Es la conversión de un arquetipo tradicional de padre caracterizado por la distancia en otro más próximo a sus hijos en todo sentido. Es la transformación de una paternidad que ocupa un papel secundario frente a la maternidad hacia otra que tiende a igualar ambos aspectos.

En suma: estamos viendo padres más involucrados en la crianza y el cuidado de sus hijos y, lo que es mejor, que no dudan en mostrarlo ni manifestarlo.

La nueva paternidad es una obra indispensable para todos aquellos padres que entienden que el amor y los cuidados tempranos dejaron de ser exclusividad de las mujeres y que sin temor a perder su virilidad, desean participar desde el comienzo en la crianza de los hijos.
