What we once thought to be solid ground has shifted. Our faith is tested. As we struggle for balance and a spiritual center, it is a time for new answers to some very old questions. Infusing tradition with innovation, Rabbi Lewis Solomon and United Church of Christ minister Bruce Epperly present a vision for our wholeness as spiritual siblings, joining our spiritual growth for the transformation of the world. Mending the World draws on the deepest insights and unique synthesis of Judaism and Christianity to shape a creative spirituality that affirms: Mending the World is a frontier book, uniting the essential truths of Judaism and Christianity to nurture spiritual growth through prayer, meditation, healing imagery, affirmations to nurture the healing of body, mind, and spirit, and spiritual practices for communal healing.
