## Originally Human (World of the Lupi) Eileen Wilks

*USA Today* bestselling author Eileen Wilks's returns to sensual world of the Lupi to explore the desires between a woman with an eternal future, and a man with a dangerous past.

### Available Digitally For the First Time

Molly doesn't look her age. In fact, Molly never will, having already been around for centuries with no signs of wear. That's because Molly is a succubus—not demonic, but cursed. A victim rather than victimizer—and more than sympathetic to the gorgeous and naked man she finds hiding in the woods. Unlike Molly though, he has no memory of his past—only that he's being hunted for reasons he can't explain. Now they must both try and solve the riddle of his origin before his past—or even hers—reaches out of the darkness to destroy them.

Previously published in *Cravings*.

Includes a preview of Eileen Wilks's *Mortal Ties*, coming September 2012
