From Book 1: *US Edition*****

It begins with a flight into Heathrow Airport.

It ends up at Matt Hawkins' front gate, in a crowd of savage, lumbering bodies.

An epidemic is sweeping Great Britain, transforming countless victims into mindless predators and forcing Matt and his little brother, Danny, out of the safety of their late parents' privileged legacy and into a rapidly changing world.

Every day is vital. Every action counts. As the brothers make alliances and learn to defend themselves and their home against an unthinkable enemy, choices are made, some with devastating consequences. In the midst of this nightmarish fight to survive, Matt begins to learn what is truly important to him, and exactly what it means to be human.

Bursting with Craig Jones' signature swift pacing and squirm inducing details, this is a story destined for your library.
