## **Chiapas (Spanish Edition)** Carlos Montemayor

Este libro está dedicado al estudio del origen, desarrollo, consolidación y aparición pública del movimiento guerrillero zapatista en el estado de Chiapas, estudiando sus vínculos con otros grupos armados y la singularidad que lo caracteriza: a diferencia de otros movimientos armados en las décadas de los setentas y ochentas, el Ejército Zapatista de Liberación Nacional se conforma principalmente por movimientos indígenas radicalizados ante la pobreza del Estado y la falta de oportunidades para la población.

El autor estudia documentos de fuentes oficiales, así como periodísticos y de otras fuentes. Examina el desarrollo del conflicto desde enero de 1994 hasta 1998, tanto las acciones del Gobierno Federal, y de los zapatistas, así como de la Sociedad Civil.

Esta edición cuenta con nuevos apéndices y reajustes, por lo que supera y actualiza la primera edición.
