## Development, Poverty of Culture, and Social Policy Brij Mohan

The "cycle of poverty," a myth manufactured and sustained by the Parsonian pundits of social theory and welfare, has blamed the victims of oppression with impunity. Brij Mohan deconstructs Oscar Lewis' Culture of Poverty theory and its applications in the fields of social welfare, policy, and development. Poverty, a global scourge, is defined as a political rather than an economic issue. The implications of this formulation paradigmatically shift the focus of discourse in the social sciences. *Development, Poverty of Culture, and Social Policy* offers an interdisciplinary analysis of complex issues, constructs, and interventions that deal with human-social problems with global implications. "Poverty of Culture" posits social development theory and practice in a critically important context challenging the scientific orthodoxy of our times.

#### **Clarissa Holland:**

As a university student exactly feel bored for you to reading. If their teacher asked them to go to the library in order to make summary for some e-book, they are complained. Just very little students that has reading's heart or real their interest. They just do what the trainer want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring along with can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Development, Poverty of Culture, and Social Policy can make you really feel more interested to read.
