Driving Lessons (A Valentine Novel) Curtiss Ann Matlock

On the road of life, sometimes you have to shift gears and slow down for those rough patches, but in the end, if you drive carefully, you'll end up home at last....

After twenty years of marriage, Charlene's husband, Joey, has left her and their three children. Now, with an Oklahoma ranch house, a Chevy Suburban that's seen better days, and an uncertain road ahead, Charlene finds herself taking a journey she never wanted or planned. But she can't turn around and to back. All she can do is move forward.

Sometimes, though, the most unexpected way is the best. Because if you're brave and grip the wheel tightly, you can find yourself in an extraordinary new place: like in the arms of a man who understands lost dreams and, with a little luck, on the brink of discovering new directions.
