Project Management Competence: Building Key Skills for Individuals, Teams, and Organizations J. Davidson Frame

This is the first book to promote project management competence on all three levels necessary for overall effectiveness. J. Davidson Frame uses the guidelines he helped develop for the renowned Project Management Institute to define the most important competencies for individuals, teams, and organizations. He then provides development strategies and diagnostic tools to build and evaluate these competencies throughout the company. Frame paints a portrait of what the competent project manager looks like, how the competent project team operates, and how their efforts are supported by the project-competent organization.
