## Revelation (Catholic Commentary on Sacred Scripture) Peter S. Williamson

"Peter Williamson has written a balanced, clear, informative, and insightful commentary on Revelation that is both Catholic and catholic. Attentive to the first-century context, the history of interpretation, and Christian liturgy and life, it offers us--like Revelation itself--guidance for the spiritual struggle between the first and second comings of the Lord."

--**Michael J. Gorman**, Raymond E. Brown Professor of Biblical Studies and Theology, St. Mary's Seminary and University, Baltimore

"Dr. Williamson, drawing on the best scholarship, has done an excellent job making sense out of a book that is notoriously difficult to interpret. Academically sound, pastorally useful, spiritually inspiring. Highly recommended."

--**Ralph Martin, STD**, director of Graduate Theology Programs in the New Evangelization, Sacred Heart Major Seminary, Archdiocese of Detroit

"Peter Williamson's commentary on the book of Revelation is well balanced and judicious on issues of the book's authorship, date, composition, and structure, thus aiding readers in making well-informed decisions that draw on Williamson's familiarity with modern scholarship and the patristic discussions of Revelation. His explanations of the various images throughout Revelation, set within a clear, sensible presentation of the structure of the whole book, allow the pieces of the puzzle of this book to fall into place and enable the reader to better understand its first-century background and its vision of the final victory of God and his Church over Satan and his kingdom. Throughout the book, the author draws out the ongoing significance of Revelation for the life of the Church in every era between the time of its writing and its ultimate fulfillment. I highly commend this commentary."

--**Fr. Mitchell C. Pacwa, SJ**, senior fellow, St. Paul Center for Biblical Theology, Steubenville, Ohio
