## **Ride the Red Trail** Lewis B. Patten

This trio of short novels presents award-winning author Lewis B. Patten at his exciting best. In the title story, Lew Harvey was forced to leave home because of a shooting incident. Now a letter from his former girlfriend has summoned him back. His parents are about to be driven off their spread and they need his help, but his father hasn't forgiven Lew...and more gun trouble may be on the way. In "Summer Kill," a man seemingly without enemies is murdered on a nighttime trail ride, and it falls to his two sons to track down the killer. And "Rustler's Run" tells the story of young Burt Norden, who has been doing a man's job running the N Bar Ranch since his father's death. But now he may really have to prove himself. Rustlers have swept into the area and there's a confrontation brewing with a local hardcase. Patten creates Western adventure so real you can almost feel the trail dust, and he was never better than in these classic tales of action and emotion.
