Sàtira i falles: Les explicacions falleres de Bernat i Baldoví (Catalan Edition) Josep Lluís Marín I García

Los textos que Josep Bernat i Baldoví escribió a mediados de siglo XIX para desarrollar el argumento de varias fallas plantadas en la ciudad de Valencia son las explicaciones falleras más antiguas que se conservan y constituyen una de las partes más populares de su obra. Más allá de las visiones simplificadoras que todavía rodean al autor, los escritos falleros de Bernat se revelan ricos en matices, con una amplia variedad de temas (morales, pero también culturales, políticos o sociales), acompañada de una notable habilidad para entrelazarlos mediante la metáfora, la ironía y, sobre todo, el juego de palabras y el doble sentido. Esta edición crítica pone a disposición del lector actual las explicaciones falleras de Bernat i Baldoví insertándolas en su contexto social, cultural, político y literario.
