Torts--personal injury law--is a fundamental yet controversial part of our legal system. *The Oxford Introductions to U.S. Law: Torts* provides a clear and comprehensive account of what tort law is, how it works, what it stands to accomplish, and why it is now much-disputed. Goldberg and Zipursky--two of the world's most prominent tort scholars--carefully analyze leading judicial decisions and prominent tort-related legislation, and place each event into its proper context. Topics covered include products liability, negligence, medical malpractice, intentional torts, defamation and privacy torts, punitive damages, and tort reform.
