The Red Book Of Animal Stories: Illustrated & Annotated Edition Andrew Lang

"The Red Book of Animal Stories," selected and edited by Mr. Andrew Lang will be much appreciated by the young folk. The stories are more interesting than voracious, and, indeed, Mr. Lang is careful to notify all and sundry that the book is not altogether scientific. We have yet to learn, however, that this is a valid objection to children's stories. The writers have laid all beasts of all times under contribution, from the prehistoric pterodactyl down to the kangaroo of the present day and the bunyip and the sea serpent of tomorrow.

This book is fully illustrated and annotated with a rare extensive biographical sketch of the author, Andrew Lang, written by Sir Edmund Gosse, CB, a contemporary poet and writer.
