**Why Music Matters** David Hesmondhalgh

**Listen to David Hesmondhalgh discuss the arguments at the core of 'Why Music Matters' with Laurie Taylor on BBC Radio 4's *Thinking Allowed* [here](#).**

In what ways might music enrich the lives of people and of societies? What prevents it from doing so? *Why Music Matters* explores the role of music in our lives, and investigates the social and political significance of music in modern societies.

- First book of its kind to explore music through a variety of theories and approaches and unite these theories using one authoritative voice
- Combines a broad yet theoretically sophisticated approach to music and society with real clarity and accessibility
- A historically and sociologically informed understanding of music in relation to questions of social power and inequality
- By drawing on both popular and academic talk about a range of musical forms and practices, readers will engage with a wide musical terrain and a wealth of case studies
