Wild West Exodus Anthology Brandon Rospond

Blood drenches the sands of the Wild West as the promise of a new age dies, screaming its last breath into an uncaring night. An ancient evil has arisen in the western territories, calling countless people with a siren song of technology and promises of power and glory the likes of which the world has never known. Forces move into the deserts, some answering the call, others desperate to destroy the evil before it can end all life on Earth.
