*The car stopped, and I could tell I was expected to get out, but I was too scared to move. I had not noticed the man get out of the front seat and was startled when the door on my side of the car suddenly sprang open. The man reached for my arm, and as he did his jacket opened just enough for me to catch sight of a gun. I tried to scream, 'Who are you people? What is this place? How did I get here?' but no words came. The man with the gun pulled me out and led me into the house. My mind spun trying to figure it all out. The only thought that came to me was that I had been kidnapped.* Imagine if you suddenly had no idea where you were, who you were with, and what had happened. In *Family Secrets: Letters to My Granddaughters*, four-year-old Grace loses her memory and is plunged into an ever-widening circle of lies, suppression, and denial. The next thirty years are shrouded in family secrets that eventually pull every aspect of her life into darkness. Though the twists and turns she faced should have destroyed her, Grace Ann Neuharth lived to tell the tale through the unforgettable narrative style of inspirational author Wanda Winters-Gutierrez. *Family Secrets* will leave you intrigued, stunned, and ultimately inspired as you discover the kind of faith that enables a person to live through the unthinkable and move past survival to victory.
