Many of North America's most beloved regions are artfully celebrated in these board books designed to soothe children before bedtime while instilling an early appreciation for the continent's natural and cultural wonders. Each book stars a multicultural group of people visiting the featured area's attractions and rhythmic language guides children through the passage of both a single day and the four seasons while saluting the iconic aspects of each place. From the scenic Berkshire Mountains to the Gloucester fishing port, this book captures the essence of the Bay State. Kids can travel down the coast to historic Salem, Boston Harbor, and the Cape Cod National Seashore, and over to Old Sturbridge Village. The book highlights sights including the Boston Lighthouse and Boston Common, Fenway Park, Harvard University, Haymarket Square, Gillette Stadium, the Mayflower II tall ship, and the Plymouth Plantation.
