## **Histórias de vida (Portuguese Edition)** Aldo Colombo, Itamar Vian

Não foi à toa que em seus ensinamentos Jesus adotou o gênero parabólico, o qual também constituiu a prioridade dos evangelhos sinóticos. A observação da vida simples do povo, a participação de suas emoções singelas e a percepção da profunda sabedoria contida em seus causos, levou nossos autores a transmitir através de curtas parábolas, despidas de todo ornamento supérfluo, sua catequese moral, marcada pela sabedoria cristã vivida nos mínimos pormenores do cotidiano de todos nós. São 55 histórias curtas, compostas segundo um modelo regular: a história, a lição moral nela contida e algumas questões que ajudam o leitor, individualmente ou em grupo, a assimilar o ensinamento que se pretende transmitir. A obra presta-se à leitura pessoal, mas é igualmente útil, sobretudo, para um trabalho em grupo tanto com jovens quanto com adultos.
