## Il Codice (Italian Edition) Mario Zatri

“Il Codice” narra fatti realmente accaduti con ambientazioni e nomi di persone opportunamente cambiati per motivi di privacy e sicurezza.

Il motore della storia è il sogno di libertà che ogni uomo coltiva dentro di sé sapendo però di dover obbedire comunque ad un insieme di regole.

Piero lascia la nebbiosa Legnano e si trasferisce a Pattaya, calda e allegra città della Thailandia, dove vive con leggera spensieratezza lontano dai vincoli e dalle convenzioni della provincia lombarda fino a quando il destino non bussa alla sua porta.

L'uomo, ormai cinquantenne, viene accusato ingiustamente di correttezza in un omicidio ed affronta l'incubo giudiziario e carcerario con la consapevolezza che, per salvarsi, deve sostituire le regole, fino ad allora a lui conosciute, con nuovi codici, riscoprendo la forza primordiale presente, in varia misura, in ogni uomo.

Piero è il personaggio principale della storia. Il vero protagonista non è però una persona fisica, ma le regole e le convenzioni che guidano la condotta umana, in definitiva il “Codice”: quello genetico, ambientale e culturale determinante i tratti comportamentali; quello morale condizionante la condotta di vita ed, infine, lo stesso destino, anch'esso visto come ipotesi di declinazione di vincoli esterni alla scelta umana.

### **From reader reviews:**

#### **Doris Edwards:**

Within other case, little persons like to read book Il Codice (Italian Edition). You can choose the best book if you appreciate reading a book. As long as we know about how is important a book Il Codice (Italian Edition). You can add understanding and of course you can around the world by a book. Absolutely right, simply because from book you can understand everything! From your country right up until foreign or abroad you will end up known. About simple factor until wonderful thing it is possible to know that. In this era, we can open a book or even searching by internet unit. It is called e-book. You may use it when you feel bored to go to the library. Let's go through.

#### **Frederick Warren:**

Information is provisions for those to get better life, information these days can get by anyone at everywhere. The information can be a understanding or any news even a huge concern. What people must be consider any time those information which is inside the former life are hard to be find than now's taking seriously which one is suitable to believe or which one the actual resource are convinced. If you receive the unstable resource then you get it as your main information we will see huge disadvantage for you. All those possibilities will not happen inside you if you take Il Codice (Italian Edition) as your daily resource information.

#### **Lanell Sessions:**

Reading a guide tends to be new life style with this era globalization. With studying you can get a lot of information that can give you benefit in your life. With book everyone in this world could share their idea. Publications can also inspire a lot of people. A lot of author can inspire their particular reader with their story as well as their experience. Not only the storyplot that share in the publications. But also they write about the ability about something that you need instance. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors nowadays always try to improve their skill in writing, they also doing some research before they write to the book. One of them is this Il Codice (Italian Edition).

#### **Betty Neal:**

The reason why? Because this Il Codice (Italian Edition) is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will distress you with the secret this inside. Reading this book next to it was fantastic author who else write the book in such wonderful way makes the content inside of easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you because of not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of rewards than the other book have got such as help improving your skill and your critical thinking technique. So , still want to postpone having that book? If I had been you I will go to the book store hurriedly.
