**Seth MacFarlane's A Million Ways to Die in the West: A Novel** Seth Macfarlane

**From the creator of *Family Guy* and director of *Ted* comes a hilarious first novel that reinvents the Western.**

Mild-mannered sheep farmer Albert Stark is fed up with the harsh life of the American frontier, where it seems everything and anything can kill you: Duels at high noon. Barroom brawls. Poisonous snakes. Cholera-infected drinking water. Tumbleweed abrasion. Something called “toe-foot.” Even a trip to the outhouse. Yes, there are a million ways to die in the wild, wild West, and Albert plans to avoid them all. Some people think that makes him a coward. Albert calls it common sense. But when his girlfriend dumps him for the most insufferable guy in town, Albert decides to fight back—even though he can’t shoot, ride, or throw a punch. Fortunately, he teams up with a beautiful gunslinger who’s tough enough for the both of them. *Unfortunately*, she’s married to the biggest, meanest, most jealous badass on the frontier. Turns out Albert has just discovered a million *and one* ways to die in the West.

*From the Hardcover edition.*
