**Wisdom.** She may have crafted the worlds by the Maker's design, she may have been by His side since the beginning, but her heart aches. Her sister is gone. Defected, to a group of rebels who loathe their Creator with every fiber in their beings, who plot His downfall. Her new assignment? Fight them. Defeat them. But how can she fight her sister, when all she wants to do is bring her home?

**Folly.** Fury seethes within her. Jealous of the attention the Maker lavished on her sister, she turned to a new master and became his favorite. Or so she thought. Determined to prove herself, to become invaluable, she realizes destroying her sister just may be the key to Lucifer's heart. Her plan? Engage Wisdom. Distract her, defeat her. If only there wasn't the minor detail she wasn't counting on. Missing her sister.
