**Al sur del corazón (Spanish Edition)** Hans Ruesch

Ambientada en los años del descubrimiento del petróleo en Arabia, *Al sur del corazón* es una novela épica espectacular, una aventura de largo aliento.

La frágil paz que sostienen dos reinos se rompe cuando se encuentran pozos de crudo en una zona fronteriza y las potencias extranjeras quieren intervenir en la explotación. Van a enfrentarse la tradición y el progreso, la cultura y el dinero, la construcción y la destrucción.

El joven príncipe Auda podría resolver el conflicto y sellar la paz aceptando la mano de la bella Lahlah, hija de un enemigo ancestral. Así lo exige su cabeza, así lo desea su corazón. Sin embargo, la lealtad hacia los suyos, que nace de las entrañas, lo empuja a tomar parte en una guerra al mando de un ejército de parias. La contienda será salvaje y quizá salga de ella totalmente transformado.

«Con una prosa tan refinada como salaz, que evoca la cadencia del árabe, Hans Ruesch exhibe maestría en la menos corriente de las artes: saber contar buenas historias.»

*The New York Times*
