An emergency can arise anytime. Now everyone from the average commuter to the risk-taking sportsman can benefit from these just-in-case kits that may just save a life. Build the Perfect Survival Kit offers a number of kits, from very basic pocket-sized ones with just the essentials to elaborate ones designed for weeks of surviving in the wilderness.

The book advocates careful advance planning and building a personalized kit specifically tailored to each outing or possible emergency that may be encountered. Readers will learn about the eight categories of gear: Fire and Light, Signaling, Water and Food, Shelter and Protection, Knives and Tools, Multi-purpose Items and Miscellaneous Items, and what to pack into a kit for their pocket, glove box, four-wheeler, trunk, small plane, backpack, and more.

- Each kit is described with a list of components, a picture of the finished product, and a discussion of each component and its value
- Gives instructions on how to use each component
- Not just for hardcore outdoorsmen – this is valuable information for anyone who drives a car, walks in the woods, etc.
